Hello and Happy New Year, Neighbours!

I hope you enjoy the calendar my team and I put together for 2023! We chatted with some photographers who are local to Milton that we follow on Instagram and asked them to contribute a few photos to our project this year. I'd like to thank all of them for their art and contributing some of it to our little community calendar – it was really fun to put together. As we look forward to the new year ahead, whether you are making plans, setting new goals or considering some New Year's resolutions – I want to wish you all the very best. I also want you to know that my team and I continue to be here for you, for anything that you need. My office is your go-to for anything federal – whether that's the Canada Child Benefit, questions about the CRA, immigration related inquiries, Old Age Security, your pension or the new Canada Dental Benefit – we are here to answer your call. But if you're not sure where to go with your question, we are happy to be your directory, too. It's the privilege of a lifetime to be your MP. Bringing your voice to Ottawa and supporting Milton's ambitions feels less like a job most days, and more like a huge honour – and I thank you for the support and trust you put in my team and I. We work hard to make sure that your concerns are addressed and your voices are heard, and I hope you feel well represented. As always, you can continue to count on me.

Best,

**Adam van Koeeverden**
