

ADAM VAN KOEVERDEN

Member of Parliament
Milton

HOUSE OF COMMONS
CHAMBRE DES COMMUNES
CANADA

A MESSAGE FROM YOUR MP

Last month's newsletter covered Budget 2021 and all of the investments that the Government of Canada will be making in our country to support Canadian families, our businesses, the economy and the environment. So many of you wrote in with questions and comments and suggestions – I can't thank you enough for all of the feedback. Please keep it coming! When I asked for your support during the last election, I promised to be an available and accessible MP, bringing your voice to Ottawa and ensuring that you're involved in important decisions. I continue to do my best to make sure your perspectives and insights help guide our collective path forward, but I need to keep hearing from you, so please reach out!

Our vaccine campaign continues to travel at a rapid pace. At this time, more than 70% of Halton has at least a first dose, and you can book a second dose appointment now, or very soon. Canada is ranked 1st globally for first doses, and the second dose schedule has been accelerated thanks to an ever-increasing supply. We are so grateful to the nurses, doctors, technicians, administrators and other healthcare workers who continue to wear the hero capes here in Milton and across our country. Thank you again, to everyone, for continuing to do your part! Please visit budget2021.gc.ca to see all of the ways we are building a more sustainable, resilient, safer and more inclusive Canada, and never hesitate to add your voice! Thank you, Adam

IMPORTANT CANADA CHILD BENEFIT UPDATE

At the end of May, families who already receive the Canada Child Benefit would have received a retroactive payment for the months of January and April up to an additional \$600 per child under the age of 6. Two more payments of up to \$300 will occur at the end of July and October totalling up to \$1200 in 2021. These additional payments will directly benefit thousands of local families, adding to the increase that families with children of all ages received last year and will help with the additional expenses that having younger kids includes, such as childcare.

MILTON FARMERS' MARKET

Please come out every Saturday morning to support local farmers and producers at the Milton Fairgrounds, 136 Robert Street. I am often there with my team, handing out reusable bags. There are a couple of new vendors, and it's a great way to reconnect with our neighbours after a tough year. From meats and fresh produce to tasty baked goods and flowers, hot sauces, kombucha, soaps and Troy's breakfasts - there is something for everyone.

HAPPY CANADA DAY! You'll see the other side of this month's newsletter is a flag sign! Tape it in your window or make a sign with some cardboard, take a picture of it with your family dressed in red for Canada Day, or stick it on the fridge!

HAPPY CANADA DAY
